An All Resorts Entry Vehicle Season Permit (**Permit**) can be used during the 'snow season' as declared by the Alpine Resorts Victoria pursuant to the Alpine Resorts (Management) Regulations 2020 (**Declared Snow Season**).

1. Each Permit issued by Alpine Resorts Victoria (**Supplier**) is subject to the following Conditions.
2. Each Permit entitles the relevant holder of the Permit (**Permit Holder**) to access the Resorts during the Declared Snow Season.
3. The Resort through which the Permit Holder purchased the Permit is the Permit Holder's principal Resort (**Principal Resort**). The Principal Resort assumes responsibility for management of the Permit, including administration, and associated fees and refunds (where applicable under these Conditions)
4. The price of the Permit can be found on any of the Websites as well as the Alpine Resorts Victoria website located here: <https://www.alpineresorts.vic.gov.au/>. No Permit will be issued unless and until the Supplier has received payment of the price in full. A Permit Holder must ensure that the Permit is affixed to the lower driver's side of the front windscreen of the vehicle listed on the Permit and with the expiry date clearly visible before entering into the Resort – Regulation 20(4) Alpine Resorts (Management) Regulations 2020. A Permit Holder may be refused entry to the Resort if the Permit cannot be shown at the time of entry and/or receive a fine for failure to display the permit as prescribed under the *Alpine Resorts (Management) Regulations 2020* (Vic).
5. The Permit is only available in respect of privately registered motor vehicles (less than 10 seating capacity), excluding commercial motor vehicles. Commercial motor vehicles include any motor vehicles which are used or intended to be used for carrying passengers for hire or reward. In relation to trailers:

 - b. For all other Resorts, trailers are not permitted when chains are being fitted as per the Resorts declaration.
6. Village Access

- a. For the sake of clarification, the Permit only entitles the Permit Holder access to the Resorts' car parks. However, subject to clause 6.b, where these car parks are in the Resort village (Mt Hotham), village access is not restricted.
 - b. Falls Creek Alpine Resort: The Permit does not allow village access other than in instances of low or no snow on the village roads in which case the Supplier may determine (in its absolute discretion) to allow access for a maximum 30 minute baggage drop off.
7. Where a vehicle with a Permit is sold, damaged or the windscreen broken, the Permit must be removed and the Permit (or as much of the Permit that remains intact, which if possible, should include the Permit number) returned to the Supplier for a replacement. For the avoidance of doubt, a Permit is not subject to a refund in such an event. A replacement Permit will only be issued to a vehicle registered in the same name as the original Permit and proof of ownership via registration papers must be produced. The fees for Permit replacement are set by the Principal Resort and can be found on the Resorts' Websites.
8. The Permit:
